

PATENTED
READY MIX
HYDRO CHIPPING

IT'S TIME TO GET THE MAN OUT OF THE DRUM

THE ONLY TECHNOLOGY FOR READY MIX HYDRO CHIPPING

1. Patented Torpedo Nozzle

2. Water Tank

165 gallons

3. Work Station

4. Water Pump

Jetstream 20,000PSI / 1,400 BAR

5. Filter

10 micron bag filter

6. Diesel Engine

Cummins QSL9
400hp
Tier IV
130 gallon fuel tank

7. Gooseneck Trailer

HEIGHT: 11' 7" / 3.56m
LENGTH: 33' / 10.058m
WIDTH: 8' / 2.4384m
WEIGHT: 14,499 lbs / 6576.6 kg

**Remote
Operated**

OPTIONAL Hand Lance

Used to clean the outside of the drums and hopper can also be used to strip paint

S.E.E. THE DIFFERENCE

SAFE

- ✓ Eliminates injuries by removing the man in the drum, limiting insurance claims and increased premiums
- ✓ Exceeds OSHA silica/confined space compliance
- ✓ Reduces liability and accidents caused by hauling excess concrete
- ✓ Full safety, operational and maintenance training included

ECONOMICAL

- ✓ Operating costs are less expensive than chipping
- ✓ No drum damage
- ✓ Less fuel wasted hauling dead concrete
- ✓ Reduces overweight citations
- ✓ Less wear-and-tear on vehicle
- ✓ Improves mix quality
- ✓ Improves company image

EFFICIENT

- ✓ Can typically clean up to 1.5 cubic yards of concrete in 1 hr (6,000lbs)
- ✓ Reduces future build up by polishing drum's surface
- ✓ No CDL required with proper tow vehicle
- ✓ Faster pours with cleaner drums
- ✓ More throughput per load
- ✓ Maximizes number of trucks cleaned per shift

New redesigned high-impact nozzle for increased concrete removal rates

Increased power: 400 horsepower at 20K PSI

Heavy-duty Jetstream 5220 long stroke, low RPM water blast pump

15 national service locations for support

Upgraded torpedo cutting head for enhanced performance

Upgraded heavy-duty electrical/hydraulic control system

Simple and easy-to-operate

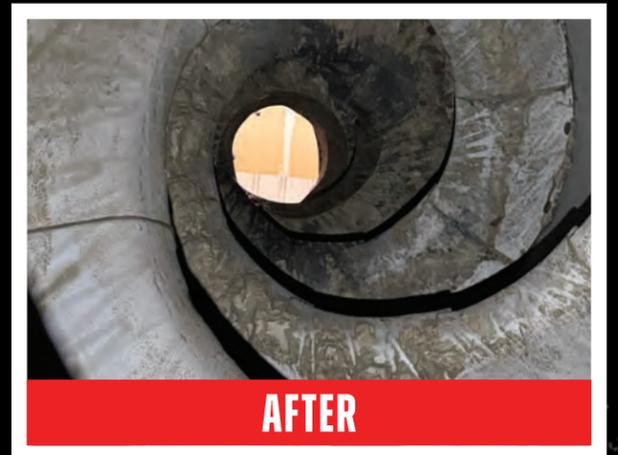

HOW IT WORKS

BEFORE

DURING

AFTER

READY JET: a remote controlled high pressure water blaster that safely removes dead, hardened concrete and is the ideal solution for both ready mix producers and service providers who want a safe and proven method of cleaning residual concrete build up.

**...now that's
READY JET cleaned!**

WATERBLASTING SINCE 1975

DON'T JACK UP YOUR DRUMS
